Subject: EPA Comments - Part 1 of 5

Dean/Christian -

Lisa, Tina, and I have completed our review of the Lower Gallatin Public Draft TMDL document. I've scanned in our hand written notes as 5 separate PDF files (its a big document!)

Lisa and I will be at DEQ at 10am tomorrow to discuss our comments. As I've stated, our main concern is with the nutrient portion of the document (Chapter 6 and Appendix F). Lets talk tomorrow.

Jason
